## Information:

We aim to have two separate competitions – one for junior men, the other one for junior women. Each division is open for 12 teams. IF we should not succeed to fill all spots in both categories, we reserve the right to change the number of teams/ playing rules and the total purse of the prize money might vary for each category with a different number of teams. The EJCT may also apply an adapted point system to benefit participants who commit to the event.

On Friday and Saturday evening a dinner is included for players and coaches (5 tickets per team) in the arena/ hotel. Additional meals will be rated 10 € per person.

A free practice round for all teams will be arranged on Friday.

Whenever you need transportation from/ to Prague airport/ train station, we try to offer you a special shuttle arrangement. The rate is depending on the amount of persons. We can as well assist to arrange a regular taxi (cheaper than any taxi you can catch in the airport/ station).
