Dear curling friends,

We are very happy to invite you to the first ever World Curling Tour event in Serbia - WCT Serbian Curling Jubilee Bonspiel. Twenty mixed doubles teams and all the officials, guests and fans will enrich the celebration of the 20th anniversary of the administrative debut of curling as a new sport in Serbia.

We are preparing an interesting off-ice program too and even without any promotion we already have more than half of the places reserved by teams from around the world.

Please reserve your place as soon as possible by writing us an email with your team name and names of the teammates playing.

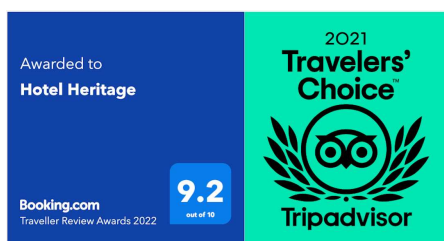

Looking forward to seeing you in Belgrade this spring.

Marko Stojanović, President
