What is Skins?

Skins is a fun, alternative game format where skins are won one end at a time. This means **every end matters**, giving every team a chance to earn skins throughout the tournament.

Each skin is worth 30 DKK and can be exchanged for cash at the end of the tournament.

Full rules are available at: aalborgcurlingklub.dk/skins

Practical Information

Gigantium is easily accessible by car, with plenty of parking available at the arena. It is also well connected by public transport, with frequent bus services between Gigantium and Aalborg city centre taking around 15–20 minutes. If you prefer to stay close to the venue, Scandic Aalborg Øst is just a short walk from the rink. Aalborg city centre also offers a wide range of hotels, restaurants and nightlife.

About Aalborg Curling Klub

Our club trains weekly at Gigantium, and our members regularly compete in bonspiels across Denmark and abroad. Following the success of our inaugural Skins event, we're delighted to welcome you back for the second edition of Aalborg Skins.

We have exclusive use of the rink during the week leading up to the tournament and will prepare fresh ice to provide excellent playing conditions.
