

European Junior Curling Tour

JUNIOR MASTERS ZOETERMEER

10-11-12 FEBRUARY 2012

OPEN FOR 12 JUNIOR MENS TEAMS

System of play

The Tournament is played according to the World Curling Federation or EJCT rules, including 4-rock rule unless otherwise stated. All matches are played over 8 ends with max. 1 extra end. If no point is scored in the extra end, a skip stone will be delivered to the home end by each team to determine a winner. (*** skip stone is delivered by the 4th thrower with sweepers and vice/skip in the house, the stone will be measured with same rules as LSD*). The team without the hammer in the extra end played, will have the choice to deliver their stone first or second.

Teams will play a round robin in 2 groups of 6 teams. Each team will play a draw shot challenge before its first game.

Teams will be ranked in by wins. The two highest ranked teams in each group are qualified for the Semi-finals. No tiebreaks will be played. If ranking cannot be determined by means of wins & win/loss record of teams, the team with the best draw shot challenge will go to the semifinals. The second ranked team from one group plays the first ranked team from the other group and vice versa. Winners will play the final 1-2 place and losers will play the final 3-4 place.
