Curling Club Düsseldorf 61 e.V.

RADSCHLÄGER-TOURNAMENT 2019

9.3.2019 + 10.3.2019

Dear Curlers,

we would like to invite you to our international curling tournament, the Düsseldorf Radschläger (named after the cart-wheelers, a symbol of the city). This year it will take place on Saturday and Sunday March 9th & 10th 2019.

Like last year we will start at **12:00** with a small reception in the break room, where we will provide the final details for the tournament.

The **first game** starts at **13:00**, giving those with a long journey plenty of time to travel without needing too early of a start.

As always we will be offering **all-inclusive catering** during the breaks! Food & drink in the break room before and after the games is free. The banquet on Saturday in the historic city center of Düsseldorf is also included in the cost of **240€** per 3 or 4 person team (excluding drinks Saturday evening). Each additional player 60€, guest whole tournament/buffet only 35/28€.

4 games are guaranteed and will be accompanied by a bit of music.

We would be pleased to have your team join us. There are however a maximum of **12 teams**, so spots will be filled based on the order that registrations are received. Don't delay, register today!

Our ice and break room are wheelchair accessible and thus we heartily invite wheelchair curlers!

Please e-mail info@ccd-curling.de to register by no later than February 24th, 2019
